Speakers will include Professors Joe Harrington, William Kovacic, Maarten Pieter Schinkel, Howard Shelansky, Tom Ross, Guofu Tan, Julian Wright and Yannis Katsoulacos. The Workshop is targeted to postgraduate students interested in Competition Policy and to Competition Authority officials and other professionals in China and other countries.

We very much hope that the situation with the COVID-19 pandemic in spring of 2021 will not be such as to impede the physical materialisation of the CRESSE - Jufe Conference. In the event that the COVID-19 pandemic situation in many countries prevents us from organising physically the planned events, arrangements will be made so that the Policy Lectures, Keynote Lectures and some Invited Lectures will be delivered online through live streaming to all those registering to attend.
